

TUBES

Sometimes, all you need is a small tube to infill a gap or make some local adjustments.

We have a variety of tubes on stock that can be powder coated in any desired RAL colour to fit your installation. The tubes are adjusted to the panel heights to fit both the ST30 and ST20 mesh panels as well as the polycarbonate and steel sheet panels.

FACTS

ART. NO	COMPONENTS
20600161	Tube 19x19 L=1250 ST20
