

PAPA

The flexible d-flexx height restriction Papa is the optimal solution for marking driveways, gates and other areas with low clearance heights. The robust construction enables long-term use in industry and thus reduces maintenance costs. The eye-catching coloring ensures increased attention. The pre-assembled product is mounted using the suspension device included in the scope of delivery, which can be attached to the ceiling or other components. The fixing material is always included in the delivery.

Width: 140,5 mm

Length: 1000 mm / 1500 mm / 2000 mm

Height: 140,5 mm

FACTS

Material Properties

- Chemical Resistance high - ISO/TR 10358
- Temperature Range -40° up to + 50°
- Recyclability 100%
- Material: Polyethylene

Other

- Color: Yellow / black
- Indoor use: Yes
- Outdoor use: Yes
- Mounting location: Ceiling
- Fixing included: Hanging wire, length 2000 mm
