

CHARLIE

The TÜV-tested and flexible d-flex Traffic Barrier Charlie provides an optimal protection for machines, inventory and employees. Thanks to the easy and fast assembly in combination with individually cutted lengths, traffic routes can be separated quickly and easily from work areas or pedestrian paths. Bollards are a useful addition at the end of the traffic barriers. The fixing material is always included in the delivery. The fischer ULTRACUT FBS II is the perfect powerful concrete screw for top installation comfort.
