

# Sigma Sliding Doors

## Single Skin Steel Sliding Doors

Sigma sliding doors are popular when a robust and smart access point within a locations where space is at a premium is required.

Sigma sliding doors are ideal for storage with their integrated locking system they can create fully secure enclosures.

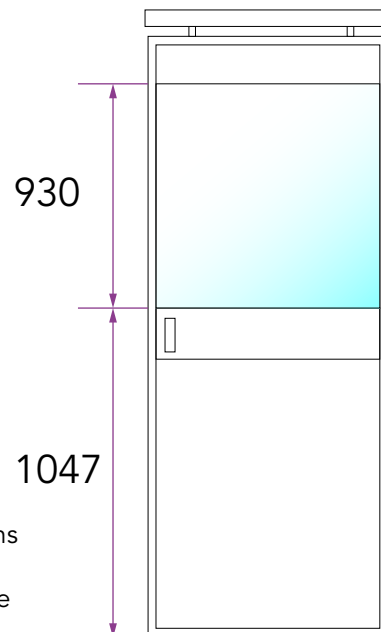

## Facts

Sigma sliding doors are available in full mesh or steel, steel/mesh, steel/glazed and steel/glazed/steel. All the sliding doors as standard have a flush pull handle and padlockable bolts.

A selection of trolleys are available, this ensures the Sigma range of sliding doors can be used in a wide variety of environments.

Panel Width (mm)	Panel Height (mm)			
	2438	2743	3048	3657
900	✓	✓	✓	✓
1200	✓	✓	✓	✓
1800	✓	✓	✓	✓
2400	✓	✓	✓	✓
