

Musca Pallet Rack Backing Bracket System

The Musca Pallet Rack Backing Bracket is constructed of 11 gauge thick pre-galvanized steel and will provide excellent protection. The bracket is bolted to the rack and the unique Kit Musca secure is easily added in assembly to secure that the panel stays in place in case of accident.

Brackets are available in stand off dimensions from 2" to 12".

Panels available are UR 300, UR 325 and UR 350
