

## Full steel Panel UR SP

UR SP is a full cover wall with a good protection against burglary. Troax UR SP is primarily used as a front wall in areas with already reasonable outer protection and is compatible with UR 350 and UX 450. The Troax modular panel system makes it possible to create separate storage areas in virtually any common space. The full steel cover also makes it impossible to see into the storage room.

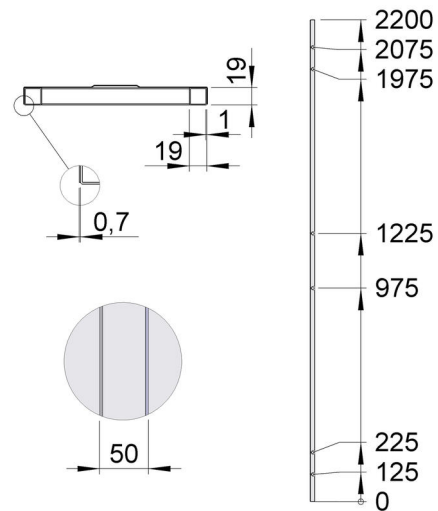

### FACTS

#### Panel Dimensions

Panel Height (mm)	Panel Width (mm)
2200	200
2200	300
2200	700
2200	800
2200	1000
2200	1200

Steelsheet thickness 0,6mm, tube 19x19 mm
