

## REACH Statement at Troax AB

### REACH Regulation

With this document we want to inform you about our position under the European REACH (Registration, Evaluation, Authorization and restriction of Chemicals) Regulation EC 1907/2006.

All products Troax AB manufacture, import and supply are “articles” as defined in Article 3 of the REACH Regulation.

Importers and suppliers of articles are according to Article 33 of the REACH Regulation obliged to provide information about SVHC substances included in the REACH Candidate List if such substance is present in an article over 0.1% by weight.

Delivered articles should furthermore comply with the restrictions laid down in REACH Annex XVII.

### Troax AB

Our products do, according to our current data and information we have collected from our suppliers, does not contain SVHC substances from the Candidate List over 0.1% w/w, and neither substances restricted (in our type of products) by REACH Annex XVII. On the basis of currently available information our products comply with REACH and no further information is required.

The above information is provided in good faith and it's based on data considered accurate at the time of preparing this document. No warranty is expressed or implied regarding the completeness or accuracy of this data. As a manufacturer, we depend on the information we receive from our suppliers. We cannot be held liable for damages or costs resulting from the use of or reliance on such information.
