

# DOUBLE SLIDING DOOR IN DOUBLE RAIL

Our Partitioning double sliding doors in double rails are available both with our door leaf panels or made from our wall panels. Standard door widths with door leaf panels are from 980+980 mm to 2940+2940 mm and standard door widths with wall panels are from 800+800 mm to 3000+3000 mm. Opening heights are from 2200 mm to 6600 mm. The runners above the doors slide in a double-track aluminium top rail and guide rails beneath the doors steer them firmly in the right direction, one door to the left and the other one to the right. The doors overlap each other when opening, as there are two tracks. Lock options are padlock, euro cylinder and assa cylinder.

## FACTS

ART. NO	COMPONENTS	
36906540	Kit 6540 MHL UX P	Dbl Slid door Dbl rail
