

SINGLE SLIDING DOOR

Our Partitioning single sliding doors are available both with our door leaf panels or made from our wall panels. Standard door widths with door leaf panels are from 980 mm to 2940 mm and standard door widths with wall panels are from 800 mm to 3000 mm. Opening heights are from 2200 mm to 6600 mm.

The runners above the door slide in a single-track aluminium top rail and a guide rail beneath the door steer it firmly in the right direction.

Lock options are padlock, euro cylinder, assa cylinder, electric strike and electromagnet.

FACTS
