

DOOR TYPE P

UR P steel sheet hinged door provides an alternative to mesh doors for storage areas requiring private security. This 900 mm door is supplied with a securing plate for padlock. Doors are available in heights from 2200mm and they are compatible with the type P system. The door frame and the mesh in the top are painted in grey RAL 7037 and the corrugated steel sheet has an aluminium-zinc finish. Doors are supplied preassembled and ready for installation.
